Reflections on Term 1...

Dear Parents,

It has been a busy but successful first term and we would like to thank all our families for their ongoing support and commitment. We are so proud of our little ones for settling so quickly and immersing themselves in all our creative adventures - They added such a special sparkle to each day!

We enjoyed spending time together at our annual family event held at Green Point Park. Despite the weather changing so quickly, loads of fun was had by all who attended. We celebrated our learners at our Parent-teacher meetings; all their hard work and consistent efforts during the term make our job as teachers so rewarding.

We have planned some exciting events to look forward to during the course of term 2 - please take a sneak peak at what is in store to help with your planning.

This was
so
cool!

Extra-mural news

Our extra-murals got off to a flying start for the term and our little ones' enjoyment is palpable during each of the lessons. Our graceful ballerinas and funky street dancers normally steal the show, but we are so very proud of our Rugga Roots boys that received their branded water bottles after completing the last lesson of the term. Well done to all our participants!

If you are interested in enrolling your little one for any of our extra-murals in term 2, please send an email to the office and we could set up a free trial lesson.

From the Office...

Thank you to all our families for remembering to pay your school fee installments on the first day of the month - Your cooperation is much appreciated.

Foundation Phase reports will be issued by Monday, 4 April. Well done to our learners on all their hard work and commitment during the term, we are very proud of you!
